

# **INTERACT CLUB**

**Of**

# **Niwot High School**

Sponsored by the Rotary Club of Niwot

Interact clubs are high school service clubs affiliated with local Rotary Clubs which are part of Rotary International. These organizations conduct community and international service projects and educational programs. Rotary has 5 “avenues of service” through which it organizes and accomplishes its goals. Interact Clubs are under *Youth Service* and they provide opportunities for youth to serve their community and world and to participate in educational and professional development programs sponsored by Rotary clubs.
